Item	Description	Cost
	<p><u>Nintendo Wii Fit</u></p> <p>Wii Fit helps everybody in the household to exercise and manage their health in an interactive and entertaining manner. The software comes bundled with the Wii Balance Board which can measure weight and balance, which allows for the body movement to become the control interface. It is used to perform and measure player performance during exercise as well as calculating the BMI and Wii Fit Age. Consequently, goals can be set to lose or gain weight and effectively change the user's BMI. Unlock over 40 exercises across 4 different categories; aerobic exercises, muscle exercises, yoga, and balance games. Includes Wii Balance board and Wii Fit software. Batteries included. For ages 3 years and over</p>	<p>£60</p>
	<p><u>Nintendo DS Lite in Black</u> <u>Only 1 Left</u></p>	<p>£80</p>
